

[DD-20CRT]

## features

- Made of high visibility fabric, soft, comfortable and resistant.
- Feather bag in arm.
- With 3 outer bags, 1 on the chest and 2 on the sides.
- Security zipper with flap on the front.
- Canister fabric on the waist.
- Elastic adjustment on the wrists.
- Reflective textile in gray color 2 "wide.
- Long neck.
- Exterior fabric water repellent.

## Advantage

- Striking neon color that highlights its high visibility properties.
- Manufactured in three layers: nylon exterior (shark cloth) water repellent, internal insulation resistant to -20 °C and inside of plush fleece.
- Wide and comfortable product.
- Fabric canister on the neck and wrists, which make it more efficient by not allowing cold air to enter.
- Variety of sizes: MD, GD and XG (CH and 2XG **on request**).

## Applications

- Outdoor work.
- Cold rooms.
- Refrigeration and freezing chambers.
- Distribution.
